

ACS INTERNATIONAL SCHOOL EGHAM

ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in spring 2022. If a field is not specified, please reach out to the REO listed below for more information.

Founded in 1967, ACS International Schools serve the needs of global and local families across four campuses, three in the UK and one in Doha. [ACS Egham](#) is non-sectarian and co-educational and is where diversity, innovation, academic excellence and global awareness come together to deliver an exceptional school experience. The school currently has 520 students aged 4 to 18 years, representing almost 60 nationalities. The school year comprises two semesters from late August to mid-June. MISSION & VISION

We have high standards and expect each other to meet and exceed them. We look for innovative solutions and explore new ideas. We act with kindness, transparency and compassion. We believe every person has unique contributions to make to each other and to the world. We collaborate eagerly, with each other, with our partners, and with local and global communities.
